

High Performance Building Program Grant

Inquiries

Grant close date: September 3, 2010

The GEO will only provide information regarding best practices and RFA guidelines. All written inquiries should be emailed to grants@state.co.us by 5:00pm on Wednesday, August 12, 2010. **The GEO will be unable to answer any questions pertaining to individual project proposals.** Responses will be answered in writing and posted on the GEO website at www.rechargecolorado.com by 5:00pm August 19, 2010. Applicants should not rely on any other statements, either written or oral, that alter any specification or other term or condition of this application during the open solicitation period. Applicants should not contact GEO staff or any other state office or individual regarding this application. Applicants are responsible for monitoring the GEO's website for publication of modifications to this grant solicitation.

Q: Would training be an acceptable deliverable under the HPBP Grant Program?

A: Training would be an eligible use of funds under this grant.

Q: If our organization has already received GEO funding, would we be eligible to apply for this grant?

A: Projects would be eligible if they have received additional GEO funding, but would be required to disclose that funding as part of the application.
